

Learning English with NaTakallam

a new language program BY refugees, FOR refugees!

Regardless of their country of asylum, English skills help refugees

- build connections & navigate legal or bureaucratic procedures
- better integrate into their new communities & diverse international settings
- enter and thrive in a competitive job market & unlock educational opportunities

[NaTakallam](#) is now offering **free English lessons to refugees and asylum seekers in Europe.**

This program offers

- 9 hours of online, one-on-one & personalized English language sessions
- a chance to improve employment & education prospects
- personalized approach from NaTakallam's Language Partners who understand the displacement experience & the learning needs of refugees and asylum seekers

Who can apply?

- Refugees and asylum seekers currently in Europe* (and those who will soon be resettled) who wish to start learning or improve their English skills are encouraged to apply!
- In order to join their classes, students should have a device with internet access and video call capabilities.
